

Booklist & Stationery List

ACADEMICS

Session 2026-27

Welcome to the **Booklist & Stationery Guide** for Atulya Defence Academy. This page is crafted to help parents and cadets prepare with clarity and confidence. A well-prepared cadet is not only ready for academics but also embodies the discipline and organization that define defence life.

Why a Standard Booklist Matters

When every cadet carries the same books and stationery, it ensures **uniformity**, smooth learning, and structured classrooms. Beyond academics, it builds habits of *planning*, *discipline*, and *organization* – traits every future officer must possess.

A well-prepared bag reflects a well-prepared mind.

Academic Book Requirements

Our curriculum blends **CBSE academics** with **defence-oriented preparation**. To ensure smooth progress, cadets must carry the prescribed books:

- **Reference Guides:** Advanced practice books recommended by faculty.
- **Defence Exam Preparation:** Guides for NDA, RMS, Sainik School, RIMC, and JNV (provided or suggested by the academy).

Parents are advised to purchase the exact editions for consistency in classrooms.
