

Syllabus & Blueprint (CBSE + Entrance Exams)

ACADEMICS

Session 2026–27

You don't need ten different guides. You need one clear map. This page shows how **CBSE learning** connects with entrance exams like **RIMC, RMS, Sainik School (AISSEE), JNV/APS, NDA, and CDS**—so your child studies once and benefits twice.

► We're a **CBSE school with entrance coaching**, not a military training centre. Fitness is structured and age-appropriate. Exact paper patterns may change—always check the latest official notice. We'll guide you.

How to Use This Page

1. Pick your **class/exam**.
2. See the **syllabus focus** and **blueprint** (what's asked, how much, how long).
3. Follow the **study cues** and **resources** listed at the end.

💡 For a personalised plan, book a quick counselling call. We'll map it in 15–20 minutes.

CBSE → Entrance: The Bridge (Quick View)

- **Maths & Reasoning** → core for RIMC/RMS/Sainik/JNV/NDA/CDS
- **English** → narration, comprehension, grammar, interview basics
- **Science & GK** → class notes + current affairs = edge
- **Reading habit** → library + editorials = speed + clarity

We teach **concepts in school hours** and **apply them** in focus labs and mocks.
